Terms and Conditions:

1. We require either a company Purchase Order or credit card information to secure your demo request.
2. Purchase Orders should be complete with company contact information and should refer to the "ExpoTools Demo Kit for evaluation" with a purchase price of \$2400.00 US. No charges will be levied if the kit is returned.
3. Each demo kit includes: 2 readers, 1 printer, cables, ac adapter, software, quick start guides
4. If the demo kit is not returned within 20 business days and we have not been contacted, an invoice will be issued to the Demo Customer for the full price.
5. If the demo kit is returned damaged, the Demo Customer is responsible for repairs and/or replacement.
6. A phone number is required of the ship to location for shipping purposes only.
7. All freight is the responsibility of the Demo Customer.
